Inviting Applications: NDT Inspectors & NDT Radiographers

Garryfine Industrial Manpower Limited is registered as an Employment Agency in Ireland, specializing in NDT Inspectors, Radiographers, and Welders. We engage with our own NDT services company as well as with industrial clients in Europe.

We are recruiting for multiple temporary positions in Netherlands and Belgium.

We are inviting applications for the following positions:

- NDT Inspectors
- Experienced NDT Radiographers

Personnel with experience and current PCN/ISO 9712 Level II in RT (Radiography), UT (Ultrasonic), PT (Dye Penetrant), and MT (Magnetic Particle) are required.

CSWIP 3.1 technicians are also considered.

These are temporary employment opportunities and suitable for contract personnel.

We arrange logistics and can provide accommodation, if requested by candidate.

Please send your CV along with 1-2 Reference(s) [optional]; state the role in subject line and email to Avik at info@garryfinendt.com
